

#1 Dental Network in Florida

Our BlueDental ChoiceSM Copayment and ChoiceSM PPO dental networks lead the industry as #1 and #2 in effective discounts in Florida*, providing you and your employees with more access to quality care and opportunities to save more money!

Effective discounts: the most important measure of a network

Effective discounts incorporate the impact of lower rates that we negotiate with dentists and the overall network utilization by members. Effective discounts reflect the total savings that members realize when they use our plans. Helping to drive these discounts is the quality of the dentists in our network. This attracts more patients; and when more people choose to get care in-network, everyone saves more money.

A large and growing network in Florida and nationwide

You and your employees can enjoy quality care and in-network savings throughout Florida or if you travel outside of the state. Our Choice network features 7,000 unique dentists in Florida and nearly 100,000 unique providers nationwide.

The quality you expect from Florida Blue

Florida Blue has the unrivaled local expertise to ensure that our networks include only dentists that meet our high standards of quality—the dentists your employees prefer. Our thorough credentialing process for in-network dentists ensures better patient experience and protection.
